

Welcome to the 2025-26 School Year

Mission Statement

*We believe every person has the gift to learn regardless of their age or abilities. At JMLearning we are only the **facilitator** for students to take ownership of their education. It is our prayer that each student becomes their own greatest advocate in life and continued learning. The greatest knowledge is the knowledge of God. Through this knowledge and personal relationship, each student will be equipped with the skills and understanding so they can be a lifelong learner and a blessing to the lives with whom they encounter.*

Introducing Our amazing teachers @JMLearning...

Ms. Steph- JMLearning

I couldn't be more humbled by the journey JMLearning has taken me on. A huge - THANK YOU to the parents of JMLearning for trusting your most precious gift with us. We love educating OUR students in this alternative educational setting. I am Stephanie Lindsey. I am an original Utah native. I now split my time between Wickenburg Arizona and Northern Utah/Idaho. I am a proud mother of 3 amazing children, one incredible son-in-law and now, 1 precious grandbaby. I founded JMLearning in 2021. After teaching in the public schools for 25 years, I

could see a need for a school that facilitates an effective education to unique learners so JMLearning was established. JMLearning was founded on Christian values and effective instruction to include best practices and standards based curriculum. With many supporters and fabulous students, JMLearning will be entering year number 5! My educational background includes a Bachelor's of Science and Master's degree in Special Education. My teaching experience includes Special Education K-12 and 4th - 8th grade Math. I enjoy team roping with my family and a little barrel racing on the side. One of my greatest joys is to watch my students develop confidences in their own learning and growth as an individual. Here's to another great year!" Ms. Steph will be teaching our High School students grade 11th and 12th.

Ms. Shelby- 4L Learning

"My name is Shelby, my husband AJ and I have made our home in Cave Creek, Arizona with our roping horses, three dogs, 2 year old son Riggan and twin boys Rhett and Radley. We have a deep rodeo background: I was a second-generation rodeo queen and former Miss Rodeo Oregon. AJ is a retired bullfighter for the PRCA but still remains a competitive team roper on the Turquoise Circuit. When we aren't roping and riding, AJ runs a successful hauling company with routes throughout the west, and I love to teach. I have a degree in Human Development and Family Science from Oregon State University and a Masters Degree from George Fox University. I have taken my love for teaching to 2 continents and 4 states. I have taught all ages from Kinder to 7th grade in a span of 8 years. I truly enjoy the fun of learning! I started 4L Learning with just an idea and faith in God, and I am thrilled to get started with you! Thank you so much for joining me!" Ms. Shelby is returning for her 4th amazing year at JMLearning and will be teaching grades 5th-7th.

Ms. Holli - DiamondBar Learning

"I am Holli Redmond and so excited to start this journey with JMLearning. My education includes being a University of Wyoming Cowboy and a Utah State Aggie. I have teaching certifications in Mathematics, Business and Computer Education and endorsements for At-Risk/Alternative Schools. I have had the opportunity to teach in Utah and Wyoming giving me over 30 years of teaching experience. I believe everyone is capable of learning but that trail is an individualized journey. It is my goal to facilitate my students towards their academic successes." Ms Holli will be teaching 10th and 11th grade.

Ms. Norma - RbackwardsJ Learning

"I am excited to be joining the dynamic JMLearning teachers this year. What a blessing and opportunity for me. My husband, Rory Phelan, and I moved to Arizona in 2020, so, like many others, we could enjoy the wonderful winters, train horses, and rope. I had been teaching in public education for 21 years prior to moving and joined a school district during the beginning of Covid, burned out, and took leave for a couple of years. I missed kids everyday and I missed the art of teaching, so through tender mercies I met Stephanie, a college rodeo friend, at a roping and she asked if I missed kids and teaching...the rest is unfolding now. JMLearning is such a unique opportunity for all involved. I look forward to meeting all of the students and their families". Ms. Norma is joining JMLearning and will be teaching 9th grade.

Ms Randi -RafterDoubleR Learning

"Hey guys! My name is Randi Kamm and I am so excited to join this educational journey with you all! Here's a little about me. I was born and raised in Cheyenne, Wyoming and then went to college at Eastern Wyoming College in Torrington, Wyoming on a rodeo scholarship. I majored in Animal Science. After that I transferred to New Mexico State University pursuing college rodeo. I graduated with a bachelors in Agriculture Extension and Education and then graduated with a Masters also in Agriculture Extension and Education. After graduation I started my teaching career in Phoenix, Arizona teaching Agriculture education and was the FFA advisor at Arizona Agribusiness and Equine Center for 4 years.

While I was there I had the privilege to teach many great students who made my teaching career very enjoyable. I taught 9th-10th grade primarily and was the freshman science teacher." Ms Randi teaches our 8th grade students.

Ms. Dena- DoubleDiamond Learning

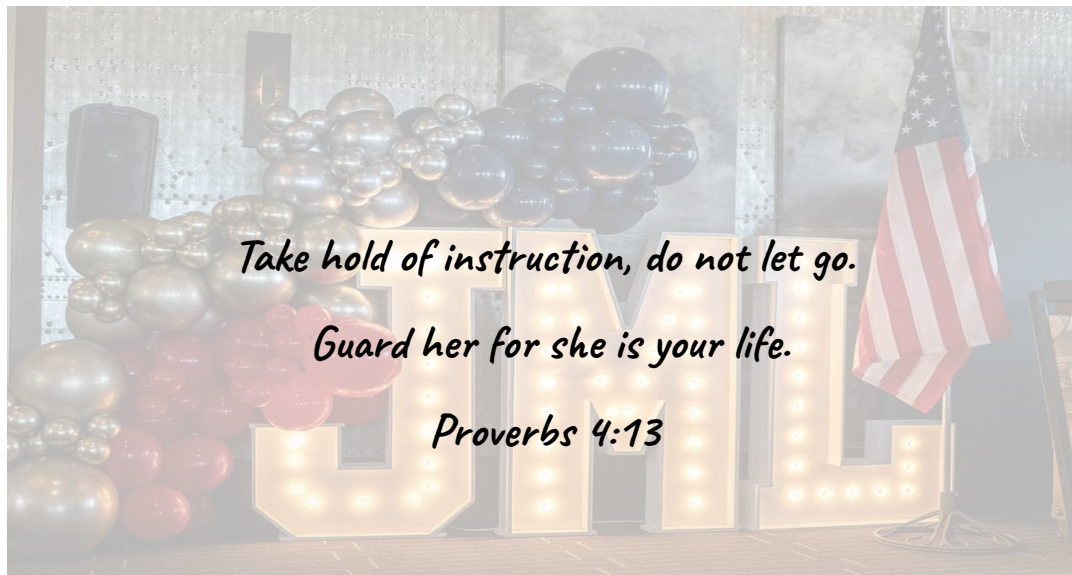

"Hello, my students call me "Ms Dena" but my full name is Dena Griffel. I will be providing instruction to our students in grades PreK and Kindergarten. This is my second year with JM Learning. I am very blessed and honored to be given this opportunity! I am a dedicated wife, mother, first time grandma (due in March) and teacher. I have a strong love for people and a kind, compassionate spirit. I have raised three beautiful, strong children on a ranch

near Park City, Montana. I graduated from Montana State University with a double major. Elementary Education: PreK - 8 th /Special Education PreK - 12 th and I have my Masters in Early Childhood Special Education. I taught Early Childhood Special Education for 15 years and was then given the Lord's wonderful blessings of getting to stay home and finish raising our children. I have also taught high school and middle school special education along with a PreK-2nd Special Education program. I look forward to working and learning with you." Ms. Dena is our teacher of Preschool students

Ms. K - BarnS Learning

"My name is Kim Kammenzind, and I am so excited to be joining the JML/4L Learning Team this school year teaching grades K-4. I hang my hat and spurs in Touchet, Washington and am looking forward to spending a few winter months in Wickenburg and connecting with our families and students in person, as well as online. I have 24 years teaching experience in grades K-4 in Oregon State and hold a Masters Degree in Elementary Education with a focus on Reading and Literacy. When I am not working with students you can find me in the arena. I look forward to sharing my love of God, reading and rodeo with you all this year. Thank you for joining me on this learning adventure". Ms. K will be joining JMLearning this year and teaching Kindergarten-4th grade.

Here is to ONE more great school year! 2025-2026
